

Dear Friends,

With our main events week coming up this term, there is much to be praying for! Hopefully this letter will bring you all up to speed with some of the things we have planned. More specific info about our events is attached separately as a wonderfully formatted schedule, so please have a read of that as well.

Carol Concert

Admittedly Christmas seems like a long time ago, and our Carol Concert was even longer before that, so you may wonder how you're only just finding out about how it went. Still, better late than never.

The event was a great success, seeing around 600 hundred people coming and hearing evangelist Michael Green talk about the message of Christmas. We saw an amazing response; more than 50 people taking copies of Michaels book 'Jesus for Sceptics', and 6 taking his booklet 'Yes', which was recommended to those who wanted to commit their lives to Christ.

(above) Having finished an evangelistic Carol Concert talk to over 600 people, Michael Green drops the mic and strolls out

Events Week

We're also privileged to have Michael returning, accompanied by Michael Ots, to speak during our events week this term. The week is titled 'Wonder', and starts on the 20th of February. The week will take place almost entirely in one venue, with a mixture of apologetics based lunch time talks and more gospel orientated evening talks. I've attached a full schedule of the week separately, and all the details can be found there.

A key prayer point for the week is our financial situation. The cost of Wonder, particularly the venue cost, is currently more than we have in the bank. As well as the obvious problems this could create, it

will also cause issues with getting the week permitted by the Students Union, who understandably get quite uneasy when societies attempt to bankrupt themselves. Having said this, we trust God will provide what we need for the week, and we are already seeing donations coming in from our members and supporters. (If you would like to make a donation yourself, please contact Thomas Baxter at treasurer@warwickcu.org).

Tanya Walker

On the 2nd of February we have another, one-off event. Dr Tanya Walker is coming from Oxford to address the question 'How can any thinking person be a Christian?' in a short lecture. This is a great opportunity to reach Warwick students, many of whom will take the stance that there is little intellectual credibility to belief in Christianity. Please pray that God would use this event to reach people, and that people's interest would be sparked ready for events week.

Prayer Points

- Pray for those coming to the events during Wonder, that God would speak to them and that we would see people saved.
- Pray for the two Michaels as they plan and give their talks for the week.
- Pray for us a CU, that we ourselves would be prayerful in the run up to Wonder, and that CU members would be keen to invite their non-Christian friends.
- Pray that God would sort our current financial situation and that the SU would allow the week to go ahead.

Thank you for your continued support of us as a CU, your prayers are hugely appreciated.

Isaac Johnson (Prayer Secretary)
prayer@warwickcu.org

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."

Ephesians 3:20-21
